

Three Conferences

There were three conferences in succession.

We joined Asia-Pacific Conference on Condensed Matter Physics 2022 and High-Magnetic Field Forum Conference in Sendai, and Quantum Liquid Crystal Conference in Nagoya.

We presented recent research achievements.

Dr. Shusaku Imajo received an award for young scientist in the high magnetic field forum.

Asia-Pacific Conference on Condensed Matter Physics 2022

November 21-23, 2022

Lecture Hall, Institute for Materials Research, Tohoku University
Katahira 2-1-1, Aoba-ku, Sendai, 980-8577, Japan

文部科学省科学研究費補助金「新学術領域研究（研究領域提案型）」領域番号6101
（令和元年度～5年度）

量子液晶の物性科学

Quantum Liquid Crystals
