

AC2MP · Domestic High-B workshop · High-field Forum Meeting

Asia-Pacific Conference on Condensed Matter Physics 2022 (AC2MP 2022, Nov 21-23), Domestic high-B workshop: Physics in the strongly correlated system studied by multi-probe measurements(Nov 24-25) , and The 17th meeting of the High magnetic field forum (Nov 25) were held in IMR Tohoku University. At the AC2MP conference, Prof. Y. Kim, Dr. Y. Ishii, and Matsuda gave talks, and Dr. X-G. Zhou and Ms. S.Peng presented their posters online.

The conference sign-board at IMR, and the main administration bureau of Tohoku University at the Katahira campus.
