

An Associate Professor Position
at the Institute for Solid State Physics (ISSP), the University of Tokyo

The ISSP invites outstanding candidates for an associate professor position in Laser and Synchrotron Research Center (LASOR). The successful candidate will develop advanced time-resolved laser-photoemission spectroscopy and promote advanced materials science by laser-photoemission.

Applicants must have a Ph.D. or equivalent degree in a relevant field, or otherwise must get a degree before the starting date of appointment. Applications should include the following documents prepared either in English or Japanese and should be sent by post or alternatively by E-mail to the address below. All the documents must arrive no later than July 31, 2018.

- 1) CV with photo including academic record and professional career
- 2) Complete list of publications (mark five most important papers)
- 3) Copy of the five important papers marked above
- 4) Summary of research accomplishments (up to three pages)
- 5) Research plan (up to three pages)
- 6) Recommendation letter (to be sent directly to ISSP from a recommender)

Applications should be addressed to:

(Online submission :)

First, send an e-mail to the following e-mail address.

< ISSP general affairs office > issp-jinji@issp.u-tokyo.ac.jp

State “Application for associate professor position (LASOR)” in the subject line.

Do not attach any documents.

Secondly, upload the application documents. The URL for upload will be informed.

(Postal mail submission :)

Send application documents enclosed in an envelope and clearly labeled in red color “Application for associate professor position (LASOR)” on the front. The documents should be sent by registered mail.

Administration Office,
The Institute for Solid State Physics,
The University of Tokyo,
5-1-5 Kashiwanoha, Kashiwa,
Chiba 277-8581,
JAPAN
