A Research Associate Position
at the Institute for Solid State Physics (ISSP), the University of Tokyo

The ISSP is seeking outstanding candidates for a research associate position in Kohama group of International MegaGauss Science Laboratory. The successful candidate will collaborate with Assoc. Prof. Yoshimitsu Kohama and conduct vigorous experimental research on novel phenomena in high magnetic fields by using magnetoresistance and magneto-optical measurements in ultra-high magnetic fields up to 1000 T and specific heat and nuclear magnetic resonance measurements in moderately high magnetic fields up to 100 T. The successful candidate is expected to play an important role in the collaboration with researchers in and out of ISSP. The experience on high magnetic field science is not necessary. The initial appointment is for five years, and the additional appointment is extended for five more years if the performance is satisfactory. The position is now open, and the term should start at the earliest possible date.

Applicants must have a Ph.D., or equivalent degree in a relevant field, or otherwise must get a degree before the starting date of appointment. Applications should include the following documents prepared either in English or Japanese and should be sent by post or alternatively by E-mail to the address below. All the documents must arrive no later than October 19, 2018.

1) CV with photo including academic record and professional career
2) Complete list of publications (mark two or three most important papers)
3) Copy of the two or three papers marked above
4) Summary of research accomplishments (up to two pages)
5) Research plan (up to two pages).

In addition, applicants should arrange for a letter of reference to be sent to the same address.

Applications should be addressed to:
(Online submission:)
First, send an e-mail to the following e-mail address.
< ISSP general affairs office > issp-jinji@issp.u-tokyo.ac.jp
State “Application for research associate position (Assoc. prof. Kohama)” in the subject line.
Do not attach any documents.
Secondly, upload the application documents. The URL for upload will be informed.

(Postal mail submission:)
Send application documents enclosed in an envelope and clearly labeled in red color “Application for research associate position (Assoc. Prof. Kohama)” on the front. The documents should be sent by registered mail.
