

Quantum Material Seminar

量子物質セミナー

日時： 2019年5月28日(火)14:00より
(Tuesday, May 28th, 2019 at 14:00)

場所： 物性研究所本館6階 A615
(A615, ISSP)

講師： Dr. Jelena Stajic

所属： American Association for the Advancement of Science
(Senior Editor)

題目： Publishing physics in *Science*: an editor's perspective

要旨：

Scientific publishing is a competitive endeavor, and the best tool we have to select among the many high-quality submissions is peer review. I will talk about the intricacies of peer review at *Science* magazine and will address the complementary roles of authors, referees and editors in that process. Crucial aspects of successful submissions to *Science* will be discussed.
