

Tenured Faculty Position at the Institute for Solid State Physics, the University of Tokyo

The Institute for Solid State Physics (ISSP) at the University of Tokyo invites applications for a full-time tenure position in the area of condensed matter physics and materials science.

1. Job title and the number of open positions: one Full or Associate Professor position to work within both the Division of Condensed Matter Science (DCMS) and the Quantum Materials Group.
2. Job description: the candidate will be expected to pursue independent and innovative research to create new trends in condensed matter physics and materials science by developing original, advanced measurements to explore quantum phenomena in a solid.
3. Qualifications and requirements: the candidate must have a PhD or equivalent degree, or is going to obtain it before the start date.
4. Employment period: at the beginning of a fiscal year when the person filling in this position reaches the age of 56, the type of his/her appointment will shift to a five-year contract appointment, which can be reappointed once for another five years.
5. Application deadline: April 30, 2021.
6. Start date: as soon as possible after the job offer is made (negotiable).
7. Application documents:
 - (1) Curriculum Vitae: the official format of The University of Tokyo must be used and can be downloaded here <https://www.u-tokyo.ac.jp/en/about/jobs.html>
 - (2) List of publications (mark your five major publications)
 - (3) Reprints of five major publications
 - (4) Description of your past research and main achievements within a few pages of the A4 or letter size
 - (5) Research plan at ISSP within a few pages of the A4 or letter size
 - (6) One letter of reference. The candidate must arrange for one professional reference to be submitted independently by the referee to the office (issp-jinji@issp.u-tokyo.ac.jp) by the application deadline.
8. How to apply: send an empty email with the subject line of “Application for MDCL” to ISSP General Affairs Office (issp-jinji@issp.u-tokyo.ac.jp) to receive a URL for uploading application documents. Then, upload all your application documents to the URL provided. A reference letter should be sent independently by the referee.
9. Others
 - The University of Tokyo is committed to gender equality in employment.
 - Submitted documents will not be returned.
 - Personal information contained in the application documents will be used only for the job selection process.
