

**Research Associate Position at the Institute for Solid State Physics,
the University of Tokyo**

1. Job title and the number of open positions	Research Associate One
2. Start date	As soon as possible after a job offer is made (negotiable).
3. Contract renewal	The initial appointment period is five years. A one-off reappointment for an additional five years is possible.
4. Probation period	Six (6) months from the start date of employment
5. Place of Work	The Institute for Solid State Physics, The University of Tokyo (5- 1-5 Kashiwanoha, Kashiwa-shi, Chiba)
6. Affiliation	The Institute for Solid State Physics, The University of Tokyo
7. Job description:	You will engage in developments of ultrahigh magnetic fields as high as 1000 Tesla, and also in research of materials science using such an ultrahigh magnetic field. We hope young researchers on experimental condensed matter physics to apply for this position. Experiences of researches on magnetism and those using magnetic field are taken into account at the selection.
8. Working Hours	Based on the discretionary work system for professional work, working hours are deemed to be 7 hours and 45 minutes per day.
9. Days off	Saturdays, Sundays, national holidays and end-of-year holidays (December 29 to January 3)
10. Paid leave	Annual paid leave, special paid leave, etc.
11. Salary	Basic Salary will be decided after considering the successful candidate's academic and professional background. Bonus payments (twice a year), commuting allowance (up to 55,000 yen per month), and other allowances as well as a system for regular wage raises are provided in accordance with the related regulations of The University of Tokyo.
12. Insurance	Enrollment in the insurance scheme provided by the Mutual Aid Association of MEXT (Ministry of Education, Culture, Sports, Science and Technology) and employment insurance.
13. Requirements	A Ph. D or equivalent that must be obtained by March 2022.
14. Application documents	(i) By recommendation <ul style="list-style-type: none"> ○ A letter of recommendation ○ Curriculum Vitae: The official format of The University of Tokyo must be used and can be downloaded here https://www.u-tokyo.ac.jp/ja/about/jobs/r01.html ○ List of achievements (mark your particularly important publications with a circle)

	<ul style="list-style-type: none"> ○ Reprints of major publications (Approx. three publications; Copies are acceptable) ○ Description of your past research and main achievements (kept within a few A4 or letter size pages) ○ Research plan at ISSP (kept within a few A4 or letter size pages) <p>(ii) By general application</p> <ul style="list-style-type: none"> ○ Curriculum Vitae: The official format of The University of Tokyo must be used and can be downloaded here https://www.u-tokyo.ac.jp/ja/about/jobs/r01.html ○ List of achievements (mark your particularly important publications with a circle) ○ Reprints of major publications (Approx. three publications; Copies are acceptable) ○ Description of your past research and main achievements (kept within a few A4 or letter size pages) ○ Research plan at ISSP (kept within a few A4 or letter size pages) ○ One letter of reference. The candidate must arrange for one professional reference to be submitted independently by the referee to the office (issp-jinji@issp.u-tokyo.ac.jp) by the application deadline.
15. How to submit	<p>Application documents must be received by post or email.</p> <ul style="list-style-type: none"> ○ By post: Send the application documents via simplified registered mail or other trackable delivery service to: General Affairs Office, the Institute for Solid State Physics, The University of Tokyo 5-1-5 Kashiwanoha, Kashiwa, Chiba, 277-8581 (E-mail: issp-jinji@issp.u-tokyo.ac.jp// Phone: +81-4-7136-3207) <p>The following must be typed in red on the envelope, “Application documents for Research Associate of IMGSL Matsuda Laboratory enclosed” or “Recommendation letter enclosed”.</p> <ul style="list-style-type: none"> ○ Email: Send an email with the subject line of “Application for Research Associate of IMGSL Matsuda Laboratory” to ISSP General Affairs Office (issp-jinji@issp.u-tokyo.ac.jp) to receive a URL for uploading application documents. Then, upload all your application documents to the URL provided. Be sure to contact the Office if you do not receive a response within three business days after sending your application documents.
16. Application deadline	All documents must be received on or before Friday, December 17th, 2021 Japan Time.
17. Inquiries	International Megagauss Science Laboratory, Institute for Solid State Physics, University of Tokyo, Professor Yasuhiro H. Matsuda e-mail: ymatsuda@issp.u-tokyo.ac.jp

18. Employer Name	The University of Tokyo
19. Others	<ul style="list-style-type: none">• The successful candidate will be determined after the deliberation at the ISSP faculty meeting. The position will remain unfilled if no suitable candidates are identified.• The University of Tokyo is committed to gender equality in employment and welcomes female applicants.• Submitted documents will not be returned.• The CV received will be used only for the job application process for the position being applied for, and the personal information contained in all the application documents will never be divulged, assigned, or loaned to a third party without legitimate reason.• The status of measures to prevent second-hand smoke is indoor smoking cessation (establishment of smoking areas)
