Faculty Positions  
The Institute for Solid State Physics, The University of Tokyo

1. Job title  
One Professor or Associate Professor position.

2. Affiliation  
Materials Design and Characterization Laboratory (MDCL),  
The Institute for Solid State Physics (ISSP), The University of Tokyo (UTokyo).

3. Place of work  
ISSP (5-1-5 Kashiwanoha, Kashiwa-shi, Chiba 277-8581, Japan).

4. Job description and responsibilities  
The Institute for Solid State Physics is seeking highly-motivated researchers who will conduct research on electronic properties under high pressure and create new trends in condensed matter physics through the observations of novel electronic phenomena. The successful candidate will actively develop new techniques for high-pressure generation and/or advanced measurement methods under high pressure, lead the future of the high-pressure physics, and actively contribute to the joint-research activities in ISSP.

5. Qualifications and requirements  
The candidate must hold a Ph.D. or an equivalent degree, or be on track to earn one before the start date.

6. Start date  
As soon as possible following the receipt of a job offer.

7. Duration of appointment  
This appointment will change to a five-year contract appointment at the start of the fiscal year in which the appointee reaches the age of 56. The contract appointment can be renewed once for an additional five years period.

8. Probation period  
Six months from the start date of employment (as defined in article 8 of UTokyo’s “Rules on Employment Conditions”).

9. Application deadline  
All documents must be received on or before Friday, August 31st, 2023 (Japan Time).

10. Application documents  
(i) By general application:  
- Curriculum Vitae: UTokyo’s official format must be used, which can be downloaded at https://www.u-tokyo.ac.jp/en/about/jobs.html  
- List of achievements (mark your particularly important publications with a circle)  
- Reprints of significant publications (five publications; copies are acceptable)  
- A brief summary of your previous research and major accomplishments (kept within a few A4-size pages)  
- Research plan at ISSP (kept within a few A4-size pages)  
- A single reference’s letter of recommendation or description of the candidate. By the application deadline, the candidate must arrange for one professional reference to be submitted independently by the referee to the office (issp-jinji@issp.u-tokyo.ac.jp)

(ii) By recommendation:  
- A letter of recommendation  
- Curriculum Vitae: UTokyo’s official format must be used, which can be downloaded at https://www.u-tokyo.ac.jp/en/about/jobs.html  
- List of achievements (mark your particularly important publications with a circle)  
- Reprints of significant publications (five publications; copies are acceptable)  
- A brief summary of your previous research and major accomplishments (kept within a few A4-size pages)  
- Research plan at ISSP (kept within a few A4-size pages)

11. How to submit
All application materials must be received via post or email.

○ By post:
Send application materials via simplified registered mail or another trackable delivery service to:
General Affairs Office, The Institute for Solid State Physics, The University of Tokyo, 5-1-5 Kashiwanoha, Kashiwa, Chiba, 277-8581. (email: issp-jinji@issp.u-tokyo.ac.jp / telephone: +81-4-7136-3207)
The following must be typed in red on the envelope, “Application documents for Faculty Positions in MDCL enclosed” or “Recommendation documents for Faculty Positions in MDCL enclosed”.

○ By email:
To obtain a URL for uploading application documents, send an email to ISSP General Affairs Office (issp-jinji@issp.u-tokyo.ac.jp) with the subject line “Application for Faculty Positions in MDCL”. Then, use the URL provided to upload all of your application documents (For general application, the letter of recommendation or description of the candidate should be submitted directly from the referee to the office).
Please get in touch with the office if you do not receive a response to your application documents within three business days of sending them.

12. Inquiries
MDCL, ISSP, UTokyo
Professor Yoshihiko Okamoto
Email: yokamoto@issp.u-tokyo.ac.jp

13. Employers name
The University of Tokyo.

14. Working hours
Based on the discretionary work system for professional work, working hours are deemed to be 7 hours and 45 minutes per day.

15. Days off
Saturdays, Sundays, national holidays, and end-of-year holidays (December 29th to January 3rd).

16. Paid leave
Annual paid leave; special paid leave, etc.

17. Salary
The basic salary will be decided after considering the successful candidate’s academic and professional background. Bonus payments (twice a year), commuting allowance (up to 55,000 yen per month), and other allowances and a system for regular wage raises are provided following the related regulations of UTokyo.

18. Insurance
Enrollment in the insurance scheme provided by the Mutual Aid Association of MEXT (Ministry of Education, Culture, Sports, Science and Technology) and employment insurance.

19. Others
• The successful candidate will be determined following the ISSP faculty meeting’s deliberations. The position will remain vacant if no suitable candidates are identified.
• UTokyo is committed to gender equality in employment and encourages female applicants.
• According to the Foreign Exchange and Foreign Trade Act (FEFTA) and other regulations, if you hold a concurrent position with an overseas organization or receive a substantial amount of income from a foreign government or other sources that restrict the sharing of your research skills and outcomes at UTokyo, you may have difficulty fulfilling your responsibilities as a member of the UTokyo faculty. Any subsequent dual employment and others after assuming the position should be limited to the extent that it does not interfere with the sharing of research skills and outcomes at UTokyo.
• The submitted materials used to fill out the application will not be returned. Your CV will be used solely for the purposes of this application, and your personal information will not be disclosed, transferred, or rented to any third party without your permission.
• The status of measures to prevent second-hand smoke is indoor smoking cessation (establishment of smoking areas).
