

Personnel Recruitment for Young Project Researcher  
The Institute for Solid State Physics, The University of Tokyo

1. Job title and the number of open positions  
a few Project Researchers (Fixed-term Project Staff)
2. Affiliation  
The Institute for Solid State Physics (ISSP), The University of Tokyo
3. Place of work  
The Institute for Solid State Physics (ISSP), The University of Tokyo  
Kashiwa Campus (5-1-5 Kashiwanoha, Kashiwa-shi, Chiba)  
Neutron Science Laboratory (106-1 Shirakata, Tokai, Ibaraki)  
Synchrotron Radiation Lab. (in SPring-8), Laser and Synchrotron Research Center  
(1-1-1, Kouto, Sayo-cho, Sayo-gun, Hyogo)  
The Synchrotron Radiation Sendai Office, The University of Tokyo  
(468-1, Aramaki Aza Aoba, Aoba-ku, Sendai, Miyagi)  
The scope of change is as follows: The University will assign the person to a designated location in principle, the person will not be ordered to be relocated or seconded against the person's will.
4. Job description  
The candidate will be expected to pursue experimental or theoretical research in condensed matter physics.  
The scope of change is as follows: Displacement, concurrent service, and secondment may be ordered.  
However, in principle, such orders may not be issued against one's will.
5. Qualifications and requirements
  - (1) The candidate must have obtained a Ph.D. or equivalent degree within approximately five years or is expected to receive one before the start date.
  - (2) The candidate must not have any job or be enrolled as a graduate student or research student at the time of the start date.
  - (3) The candidate should contact ISSP faculty member (professor or associate professor) beforehand and prepare a research plan upon approval from a faculty. Applications will not be accepted in case the candidate will not get permission of acceptance by that faculty member. When working on a research theme that spans multiple research laboratories, specify one host faculty.
6. Start date  
To be assigned from April 1, 2026, to the end of June 2026.
7. Duration of contract  
2 years (in principle, without renewal)
8. Probation period  
14 days from the start date of employment (according to article 8 of “Rules on Conditions of Employment, The University of Tokyo”).
9. Application deadline  
All documents must be received on or before Friday September 26, 2025, Japan Time.
10. Application documents
  - Curriculum Vitae: The official format of The University of Tokyo must be used and can be downloaded here <https://www.u-tokyo.ac.jp/en/about/jobs.html>
  - List of achievements (mark your particularly important publications with a circle)
  - Reprints of major publications (up to three publications)
  - Description of your past research and main achievements (A4 size, kept within two pages)
  - Research plan at ISSP (A4 size, kept within two pages)
  - Description of the candidate by supervisor(s) or recommender(s).
11. How to submit  
Fill in the following form URL and upload the complete set of application documents as PDF files (Description of the candidate by supervisor(s) or recommender(s) should be sent directly from the creator to the upload URL indicated on the form).  
Application form URL: <https://forms.office.com/r/2dg6TdXNwn>

If you have any questions regarding submission, please contact the General Affairs Office.

12. Inquiries

General Affairs Office, The Institute for Solid State Physics, The University of Tokyo 5-1-5 Kashiwanoha, Kashiwa, Chiba, 277-8581. (Email: [issp-jinji@issp.u-tokyo.ac.jp](mailto:issp-jinji@issp.u-tokyo.ac.jp) / Phone: +81-4-7136-3501)

13. Employers name

The University of Tokyo.

14. Working hours

Based on the discretionary work system for professional work, working hours are deemed to be 7 hours and 45 minutes per day.

15. Days off

Saturdays, Sundays, national holidays and end-of-year holidays (December 29 to January 3).

16. Paid leave

Annual paid leave, special paid leave, etc.

17. Salary

It will be provided in accordance with articles 4, 5 and 6 of "Rules for Applying Annual Salary, The University of Tokyo" (approximately 4.3 million yen per year)

18. Insurance

Enrollment in the insurance scheme provided by the Mutual Aid Association of MEXT (Ministry of Education, Culture, Sports, Science and Technology) and employment insurance.

19. Others

- Interviews may be conducted after screening of documents. Interviews will be conducted online sometime between October and November 2025, and a decision will be made in November or December.
- If selected, you will be asked to respond whether or not you accept the offer within two weeks in principle.
- The University of Tokyo is committed to gender equality in employment and welcomes female applicants.
- According to the Foreign Exchange and Foreign Trade Act (FEFTA) and other regulations, if you hold a concurrent position with an overseas organization or receive a substantial amount of income from a foreign government or other sources that restrict the sharing of your research skills and outcomes at UTokyo, you may have difficulty fulfilling your responsibilities as a member of the UTokyo faculty. Any subsequent dual employment and others after assuming the position should be limited to the extent that it does not interfere with the sharing of research skills and outcomes at UTokyo.
- If the candidate requests to take special leave (prenatal/postnatal leave) or childcare leave, these leaves will be treated similarly following "Rules on Conditions of Employment, The University of Tokyo". Also, upon request, employment could be renewed for a limited period of special leave (prenatal/postnatal leave) or childcare leave taken.
- Submitted documents will not be returned. The CV received will be used only for the job application process for the position being applied for, and the personal information contained in all the application documents will never be divulged, assigned, or loaned to a third party without legitimate reason.
- The status of measures to prevent second-hand smoke is indoor smoking cessation (establishment of smoking areas).
